

# On the Market

**Slush Rush** Rush into school lunch with Rips, 100% juice slush from **Cool Tropics**. This freeze-and-squeeze delight can be served as a snack treat or a lunch-time eat. All you have to do is freeze and squeeze the product for 1-2 minutes for a slushy sensation. Rips are shelf-stable for one year. The product is also calcium-fortified and re-freezable. For more information, visit [www.cool-tropics.com](http://www.cool-tropics.com) or call (800) 510-8890.
